Plan - Subject Outline

Prepare subject outline according to Subject Outline Procedure.

Subject Outline Procedure 3.1

3.1 The Subject Outline must be available through the Learning Management System (LearnJCU) five university working days before the earlier of the commencement date of the prescribed study period or the commencement of scheduled activities for the subject. The Subject Outline is considered published at this time. Subject Outlines which are uploaded to LearnJCU early are in draft format and subject to amendment up until the date of publication.
