Using Big Interview, record your response to an interview question of your choice. Watch your recorded video response and reflect on what you did well and areas for improvement.

Big Interview is free for JCU students, staff and alumni. To access the site, open the JCU <u>Big Interview</u> portal. Select Register from the top-right menu. Complete the registration process using your JCU email address. You'll then receive a confirmation email at your JCU email address. Select Verify in the email, and you can start using Big Interview.

Login and select the **Practice** tab on the top menu, then **Question Library**. You can now choose a question category from the left-hand menu, then a specific question, and select **Practice this question in an interview** and **Record**.
