

ORPHEUS ISLAND RESEARCH STATION

Boating Use Log

Note:

- It is the **responsibility of each group leader** to ensure boat log is completed at the end of each and every trip.
- This completed boating log MUST be returned to OIRS along with Boat Kit at end of each visit.
- Fuel usage is to be recorded by half or full caddy when tanks are changed out, don't forget to leave a full caddy ready for next group on final day
- Engine hours are required to be completed for any use of Southwind and Pioneer 1
- Please USE A PEN instead of a pencil when filling out this log sheet as we have to scan this form once completed.
