WHS Health Management: Work Capabilities Form 6A

WHS-PRO-FORM-006a

Electronic copies of this form are current. All other copies are uncontrolled and currency can only be assured at the time of printing

The JCU staff member is to provide this form to their treating practitioner. The treating practitioner is to complete the form, identifying the staff member's capacity or limitations to work. This information is used to assist with the creation of a Suitable Duties Plan if necessary. This completed form is to be made available to the staff member's line manager and the JCU Injury Prevention & Management Advisor.
